

SATHISHKUMAR K

Front-End Developer | Web Developer | React.js Developer

+91 9344617113 | sathishkofficial01@gmail.com | Ramanathapuram, Tamil Nadu

GitHub | LinkedIn | Portfolio

Professional Summary

Motivated and enthusiastic **Front-End Developer** with hands-on experience in **HTML5, CSS3, JavaScript, React.js, and Bootstrap** through academic and personal projects. Currently expanding my skills in **Python, Node.js, Django, and MongoDB** as part of my Full Stack Development journey. Passionate about building responsive, user-friendly, and high-performance web applications with clean, maintainable code. A quick learner with strong problem-solving, analytical thinking, and teamwork skills, seeking an entry-level Front-End Developer opportunity to contribute, grow, and build impactful software solutions.

Technical Skills

Programming	HTML5, CSS3, JavaScript (ES6), Python
Frontend	React.js, Bootstrap, Responsive Web Design
Backend	Node.js (Learning), Django (Learning)
Database	MySQL, MongoDB (Learning)
Tools	Git, GitHub, Visual Studio Code, Postman

Projects

E-Commerce Website

React.js — JavaScript — CSS3

- Developed a responsive E-Commerce web application using React.js and modern JavaScript.
- Implemented Product Listing, Search, Shopping Cart, Wishlist, and Checkout functionality.
- Built reusable React components to improve scalability and maintainability.
- Optimized the user interface for desktop, tablet, and mobile devices.
- Applied responsive web design principles to enhance user experience.

Student Management System

React.js

- Developed a CRUD-based Student Management application using React.js.
- Implemented Add, Update, Delete, and Search functionality.
- Designed a clean, responsive, and user-friendly interface.
- Improved application usability through reusable components and structured code.

Todo Application

React.js

- Developed a responsive task management application using React.js.
- Implemented Create, Update, Delete, and Complete Task functionality.
- Used Local Storage to provide persistent task management.
- Improved productivity through a simple and intuitive user interface.

Professional Training

Full Stack Web Development Trainee

FITA Academy, Chennai

- Completed comprehensive training in Front-End and Full Stack Web Development.
- Built responsive web applications using HTML5, CSS3, JavaScript, Bootstrap, and React.js.
- Gained practical experience in Git, GitHub, REST API integration, and responsive web design.
- Learned backend fundamentals using Python, Node.js, Django, MySQL, and MongoDB.
- Developed multiple academic and personal projects following modern web development practices.
- Strengthened problem-solving, debugging, and code optimization skills through hands-on assignments.

Education

Bachelor of Commerce (Computer Applications)

2021 – 2024

Devanga Arts College

Madurai Kamaraj University

Higher Secondary Certificate (HSC)

Tamil Nadu State Board

Secondary School Leaving Certificate (SSLC)

Tamil Nadu State Board

Certifications

- Full Stack Web Development – FITA Academy
- React.js Development
- Python Programming Fundamentals
- Git & GitHub Essentials

Achievements

- Successfully completed Full Stack Web Development training.
- Developed multiple responsive web applications using React.js.
- Built academic and personal projects following modern web development practices.
- Created and maintained an active GitHub portfolio to showcase projects.
- Continuously learning new technologies to enhance Full Stack Development skills.

Soft Skills

Problem Solving

Teamwork & Collaboration

Adaptability

Quick Learner

Communication

Critical Thinking

Time Management

Self-Motivated

Languages

Tamil Native

English Intermediate

Interests

- Front-End Development
- Photography
- Chess
- Learning New Technologies

Declaration
